## The advantages of Google Apps for school leaders

**Easy collaboration**

Google Docs

**Accessible through any web browser and works on any device**

**Forms** - quick and easy collection of data/surveys which is easily graphed

Google Forms

Docs

Sheets

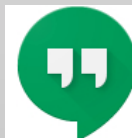

Slides

**Google Sites** -platform for professional development resources, tutorials, videos and session note

**Google hangouts** - remote conferencing, live group video meetings, record webinars

Hangouts

**Many great extensions available at Google Play**

**Google Blogger**- tool for sharing school accomplishments and taking control of the school's narrative through text, video, forms
